American Art Therapy Association
Multicultural Committee

Selected Bibliography and Resource List

Updated: August 2020

This resource list was created by the members of the AATA Multicultural Committee to provide art therapy specific references pertaining to multiculturalism, social and cultural diversity, as well as, social justice. Every attempt has been made to ensure accurate references and to include a wide range of peer-reviewed publications. Please inform the Chairperson of the Multicultural Committee regarding missing entries for inclusion in future revisions.
